

Afsendelse af dokumenter fra Nexus.

Under Borgerforløb findes det aktuelle forløb og dokument, der skal sendes. Dokumentet åbnes.

The screenshot shows the Nexus patient portal interface. The patient's name is Nancy Ann Test Berggren, with CPR number 251248-9996 and 70 years old. The 'Borgerforløb' (Citizen Journey) tab is selected, displaying a list of active cases. A red box highlights the 'Dokumenter og breve > Sygepleje' (Documents and letters > Nursing) section, which contains a document named 'Dokument3.docx'. The right sidebar shows patient details, including address, status, and a risk assessment chart.

Klik på printerikonet og vælg printer "Doc2Mail" og udskriv

The screenshot shows a Microsoft Word document titled 'Dokument1 - Word'. The document content is a copy of the Nexus patient portal page shown in the previous screenshot. The printer icon in the top right corner is highlighted, and the 'Doc2Mail' printer is selected in the print dialog.

Nu kan du vælge hvilket CPR- eller CVR-nummer, brevet skal sendes til. Herefter sendes brevet.
